

We have arrived!

*The New MEX App is now available
for Universal Windows Platform!*

SIMPLY SYNC & GO!

Out of network range? Sync your data and get on with your work. Easily scan equipment & access upcoming jobs.

SAME LOOK & FEEL OF V15

Feel right at home on the new App as it continues on with the same look and feel of the classic MEX Version 15.

ACCESS SECURITY & GOD MODE

All security settings flow straight across or use God Mode directly in the App to allow you to maintain with ease.

UWP OUT NOW!
