

# MEX Mobility

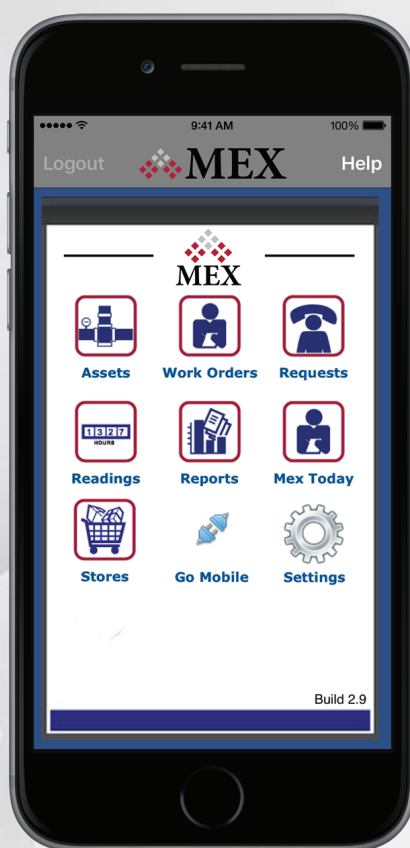

## ANYWHERE, ANYTIME ACCESS

From Assets to Reporting, the MEX iOS App is designed to make it easier for you to do your job from anywhere and at any time.

## WORKS OFFLINE

Use the MEX app offline with Go Mobile. Allowing you to use MEX without having a physical internet connection.

## PAPERLESS ENVIRONMENT

The MEX system encourages the use of a paperless environment. Double handling of information becomes a thing of the past as you can record data out in the field.

## CUSTOMISE WITH EASE

Easily customise your MEX system and add all new fields or even a whole new module that extends to the MEX iOS App.

# Simple. Intuitive. Powerful.

## Class Leading MEX App

Bring innovation and convenience to your business with the use of the MEX iOS App. Monitor the state of your operations at all times, increase organisational visibility and seamlessly maintain a paperless maintenance environment.

## Go Mobile with MEX

MEX for the iPad/iPhone is the best way to record, document and sync information about your assets, parts and labour. Utilising best practice methods of preventative maintenance, MEX will solve your scheduled maintenance problems.

## Download MEX for iOS

The MEX iOS app can be downloaded from the [Apple App Store](#) as a free download. A login to the app will simply just consume one of your MEX licenses. The MEX app will optimise to the correct size for iPad, iPhones and iPod Touches.
