Introducing a new Training Course for the MEX Mobile App!

A course for the end users who primarily completes their day-to-day activities on the MEX Mobile App.

Online Courses We Offer

INTRODUCTION TO MEX

2 DAY COURSE

A great beginner or refresher course! You will learn to navigate through MEX, capture information and carry out essential maintenance functions.

ADVANCED TRAINING

1 DAY COURSE

Explore, understand & build upon the features and modules of MEX that are not covered in the Introduction Course. Must have prior knowledge of MEX to attend this course.

REPORT WRITING

1 DAY COURSE

Discover how to create and modify your own reports. This will allow you to manage critical data specific to your business and effectively monitor the state of your operation.

STORES TRAINING

1 DAY COURSE

Work through all the features of the MEX inventory management module. You will specifically learn how to use; the Catalogue, Requisitions, Purchasing and much more.

REGIONS TRAINING

4 HOUR COURSE

Run multiple sites in MEX autonomously. Learn how to administer Regions so that your team can perform all their day to day tasks independently.

TRADESMAN TRAINING

4 HOUR COURSE

Perform the basic day-to-day tasks that would be required of a trades-level user. The course focuses on the Work Order process, allowing users to record their own work activity in MEX.

Maintenance Software

What do you need?

LOGIN DETAILS FOR THE ONLINE TRAINING PORTAL

Start by providing all your details so that we can organise all training resources and get you started on the right foot in the training portal.

CHECK FOR RELIABLE INTERNET SPEED AND CONNECTION

First up we will run an internet speed test to check that you have a suitable connection to participate in the course and access resources.

DETERMINE WHAT BROWSER + DEVICE YOU ARE USING

An automatic check of your browser and system specs is performed to ensure training resources can be accessed & used.

RECOMMEND TO USE 2 MONITORS DURING TRAINING

For a better experience, we recommend using two monitors to maximise screen space, allowing you to view the manual & MEX.

ACCESS TO A SUITABLE CAMERA AND MICROPHONE

To better connect with your MEX Trainer, a suitable webcam and microphone would come in handy so you can interact with them.

POSTAL ADDRESS TO SEND HARD COPY OF THE MANUAL

Should you require a hard copy of the training manual, we are happy to post one out to you. Otherwise an online version is available.

Onsite Training & Consulting

Should travel restrictions allow, we can organise for private training and consulting to be performed at your site. Just contact our friendly training team to organise.

COSTS
Prices vary depending upon location, number of days, course & trainee numbers required.

LOCATION
Private Training is typically held at your work site however training can be held at the MEX Head Office.

EQUIPMENT
Running a course privately will necessitate certain equipment and/or technical requirements.

IN HOUSE FACILITIES
We have a COVID safe training classroom, ample seating and refreshments available for all attendees.
